“ *The Family of Connie Hendricks and our prayers for all of your loss of, Wife, Mother, MeMe, great grand MeMe, those of you who knew her as Friend, and, to those of you who knew her as, Sunday School Teacher, helper in the classroom of the children as they grew up and attended school on field trips with Connie(Mom) traveling with your class and helping the teachers and enjoying bringing desserts and always there to repair the costumes for school plays, and each one of the childrens friends that knew Connie as their 2nd Mom. Each one lost a person who meant different things to each one of you. My name is, Judy Hendricks, and my husband is Larry Gene Hendricks, the brother-in-law, who at the age of 12 was one of the best men in the wedding. Each one, had the privilege to attend Jack and Connies' 50th Wedding Anniversary to renew their vows to each other and were blessed to enjoy their family and their love and memories for all those extra years. So, very blessed. Connie was ALWAYS so busy doing and helping and assisting anywhere she could help. We regret that we could not be present for the special visitation fellowship today, Sunday, March 24, 2019, and then to miss the service on Monday, 25th at 11 a.m. with burial following. I know Jack's Church Family are there to meet any needs that may come up. He has been, truly, the Strong Anchor of his Household throughout all the years. Challenging as it is, to raise a beautiful, healthy family, and to provide physically, spiritually, and in every way possible to meet their needs, and to teach them the need of a family to seek God in their live at an early age. He has attempted to always be an example of a loving, caring husband to be a mentor to his children and to train them in the way a Christian Father would with the aid of his HELP Mate, Connie, being the pastor of her children, setting the example and "WALKING" in the Light that God had given her and being there for their children to teach them the way of the Lord the best she knew that the Lord would want her to. She will be missed greatly not only by family, friends, but community as well. She had tiny shoes, but they will be impossible to ever find anyone to FILL THOSE SHOES. Prayers and Love, to her Sweet sister, and Wonderful Brother, and both and all of the blessed nephews and*

nieces.
