In Memoriam

A loving tribute to...

Connie Mendoza, who passed away in San Antonio, Texas, on July 30, 2018 after a brief illness. A loving wife and mother, doting grandmother, and a good sister-in-law, and above all, a good friend. She was a steady and reliable person who bore and raised two wonderful children: she was a good homemaker and caregiver, and a longtime resident of San Antonio. I was not fortunate to be at your deathbed, but wish you a loving farewell. I will miss you and know that you are where we all want to be some day—in God's loving hands.

“ Cruz, Dawn and Dean,

I am so saddened to hear Connie passed away. She has always been in my prayers, I just wish I had been able to visit with her . I know she did not feel well for a long time. I will treasure all my memories. She was like a mom and a big sister to me when I was going to med school. Being my Maid of Honor at our wedding and Lexi's Godmother were so special to me. She helped me with my wedding before and after. I will always remember her being there to help me clean up. A true friend! It was so fun having her and Cruz over for our annual Christmas dinner . She lit up the room.

I still have most of the dresses she made me. She loved making fancy ones. Her sewing skills were amazing. My mom will be also so saddened, she loved Connie very much . I tried several times to get them together in the past few years but it was not meant to be. Please know I am so sorry I did not know of her rosary and burial until yesterday. I would have been there. She will always be with me. She was so kind and loving. She always reminded me how family came first. She loved all of you so very, very much, If I can help in any way call my cell. I left a message on your home phone. Your entire family is in my prayers

God Bless and Keep you in his Loving Arms

*Loving thoughts and Prayers,
Mary Ann, Chris, Christina and Lexi*
