“ *My Aunt Connie and my mom Angelita married into the Martinez family. Never did they feel anything less while at gatherings but would often laugh and comment on how they both were true warriors being married to Navy brothers. My mom has lost her side kick. She will be deeply missed.*

“ *I was at my tia Helen's house when Sammy brought her to meet the family. I remember she seemed nervous but very friendly. She was always welcoming whenever I saw her. My prayers are with the family.*
