“ I was so happy to have Mom (Consuelo Trejo Flores) in my life. She told stories about how she had met her husband Armando Flores. I remember coming to visit and how she greeted me with a big smile, hug and a kiss. There were days when I would come with a heavy heart and by the time I left, She would make my day a good one. She was a mom to me, because I lost mine in September 09, 1988; 30 years ago. She always had a smile on her face. She would stay up late watching tv 📺 with her husband and would sleep *zZ* until one or two in the afternoon.. She loved her daughters and her son whom she spoke about. I will miss her so much because I knew how much love she had in her heart. Now she has parted to go join her husband and Heavenly Father in hisis kingdom. You will be missed but will remain in my heart for eternity. Prayers for her family that they will find peace in their heart and celebrate her life.
