“ Our family is truly saddened to hear about the loss of Consuela Lopez. She cared for our daughter Caitlin Osborne in our home for several years. Consuela helped bring our very involved and fragile daughter home from the hospital for the first time. She was the key person who kept Caitlin alive. Caitlin is now 26 years old. Consuela was an excellent nurse. She will always have a special place in our hearts. She was a small woman who was a GIANT blessing to our family.

“ I will always remember how you loved all the kids in this family and how you always had a hand in their lives. I hope I can be as strong, caring and loving as you were to my son when he needs me.
