“ *My dear sister in law, we will greatly miss you. Connie stepped is as our family leader with the passing of our mother in law several years ago. Worried and always calling to ensure everyone's safe and well. Now we are saddened by her passing but she is wrapped in the arms of our Lord and no longer in pain. Prayers and love to our family and friends of Connie. Love and miss you already, Jane Martinez*

“*Connie was such an angel. She always cared for others. She reminded me so much of our mom. I know she is in a better place free from pain and worry. I am faithful that we will see her again. May God embrace her and keep her. She will be missed always!*

Sorry, I misspelled angel. But I'm sure everyone knew what I meant.

Mrs. Connie will always hold a special place in our hearts... From the infancy of raising our own kids, and bringing them around the Martinez household for an uplifting word; to simply being a kind person who was always there... Her physical presence will be missed, but her legacy will forever be with our family. God Bless you. Jay Wilson & Family
