“ To Consuelo, I have known you since I was 12 years old. I remember you being a very quiet and serious lady, but when I got to know you, you had a beautiful spirit I will always remember your cooking because it had a lot of flavor to it. I will remember your queso con Chile, your Carne, con Chile, and etc.. Thank you for giving me beautiful memories. I know that we will all miss you. I know that your daughter's, sons and grandchildren and great grandchildren will miss you too. Now you're not hurting you're not sick. You're in the presence of our Lord. May you rest in peace and thank u for always accepting me and my son Baby Willie he will sure miss you 🙏🌸💕🌹
