“ Dear Uncle Hector and family.

There are times when there are too few words left to heal our broken hearts, when what we wish for is only to be carried, when all we have left is the hope that tomorrow will be a more gentle place to land than today.

We understand your pain and sadness at the loss of your beloved wife, mom and aunt. We pray that God will show his loving heart to you and our cousins as you all grieve for her (and our dear cousin Bobby).

We love you all and wish you peace and comfort as you say goodbye.

It is all so difficult. We are so saddened at the loss, but happy at the thought of her joyful heart being in heaven.

*We love you all!

Thank you so much for your beautiful and kind words. My mom had so many beautiful fond memories of Uncle Oscar your father and all his family. She reminded me so much of him. The love between them was such a blessing in itself. Now they are together again.
