“ Jennifer & Roy, Your Mother was such a special part of our lives, and I can hardly put into words how much she meant to me.

Growing up, she was like an older sister to us. I will always treasure the memories of the times she took us shopping downtown at Kress, helping us learn to skate, and how she was there to celebrate nearly every holiday with us. Those moments will forever be etched in my heart. Her laughter, kindness, and love made every gathering brighter and more joyful.

It's hard to imagine a world without her, but I know her spirit will live on in all the lives she touched, including mine. I will miss her deeply and cherish the love she brought to our family.

Please know that you are in my thoughts and prayers during this difficult time. If there is anything I can do to support you, please don't hesitate to let me know.

With love and deepest sympathy,

Rudy
