“ Mom was happiest when she was with family. Last year she was giving her grandsons rides on the walker she hated to use! We'll forever have a void with her loss but will continue to gather and remember 🌹

Chris was my neighbor, friend and fellow sewing circle member. Both my family and I loved very much. She loved it when I walked my grandchildren in the neighborhood and stopped to see her. She was the nicest and most loving person I know. Unfortunately, I won't be able to attend her funeral because I'm afraid of covid, but I will pray the rosary in her honor tonight at 7 pm from home.

Cris was so proud of her service in the WAVES during WWII, making sure that thousands of sailors and Marines received their letters from home, no matter where they were serving. She was the epitome of graciousness and charity. I loved being in her presence. On behalf of your sea service sisters, "Fair winds and following seas, Cris." Susan

My two grandsons got to visit their great grandmother in early 2019. I'm so happy that Chad and Kathy took the time to visit her while she was still healthy and walking.

Our mom was a wonderful person who loved us with all her heart. She had a strong faith in GOD and would pray for all her family. She brought us together and taught us to love one another. She will be forever missed.

“ Nana was an amazing, strong, beautiful, and holy woman. To know her was to love her. She had a way of making me feel so special and that I was capable of anything. I'll miss her always but she will forever be in my heart and watching over us all from Heaven.

Our Mom was so proud to serve her country during WW II. She was the first woman to serve from her small town in Luling, TX. She had lasting memories of this time.
