Cristina Garcia left her humanly body on Friday, August 19, 2016. The daughter of Juan and Suzanne Heitz, Cristina was born in Madrid, Spain on May 31, 1947, but spent the majority of her childhood in Mexico growing up alongside her sisters Anna Catalina de la Garza-Evia and Elizabeth Davila. Later on her studies placed in her in Paris where she fell in love with art and the city itself, and forever on art would be a huge part of her life. In 1984 she married Horatio Garcia, and in a little over a year after she gave birth to her only child, Christian Garcia. Words cannot describe the void left in the hearts of all that knew and cherished her, but those who did will carry on her legacy of love and beauty.
