“ Dear Eloy, Diane, Danny, David, and family:

*Please know that my love and prayers are with you during this very difficult time; you have my deepest sympathy. I hope you find comfort in all the wonderful memories you created with Christina over the years, and in knowing that your friends are keeping you in their prayers and love. I have so many wonderful memories of Christina as I was growing up across the street from you. Some of my fondest include the times you invited me to your big family Easter cookouts, and trips to the coast. Christina was very special; and, I, like many, will miss her.*

*With love,  
Barbara Rodriguez-Pashkowski*
