“Daddy, we love you and will miss you. God gave us a blessed father who was hard-working and leaves behind so many great memories of laughter. I'm happy you no longer mourn the loss of 2 wives in your lifetime and will finally be free from pain and suffering. May God and Jesus receive you into Him now. A piece of my heart goes with you.

“So many memories I have of my dad, good and bad. One thing I will always cherish is what a kind- hearted, hard working, and loving man he was to his children and wife. My dad was so much fun to be around especially when we had a family game night and he either played pictionary or scrabble with us. The fun part was mainly at his expense because he would always do, or say, something hilarious. Dad...WE LOVE YOU AND YOU WILL BE MISSED, but we have comfort in knowing you are no longer in pain in so many ways. R.I.P.
