“ There’s not enough memories I could share to speak of her personality and character. That’s exactly what she was, a character. We never stopped acting goofy. We never stopped laughing. We never stopped loving or smiling. I wake up every morning feel discombobulated because it still feels like a nightmare... I can’t shake it. But I have to learn to accept it. I know I’m being selfish but this wasn’t supposed to happen. I’m just glad to know you have peace and are in no more pain. I love you so much sissy!!!

“ My beautiful funny sister. ❤️ Oh how I wish things were Different. I wish we would just
Wake up
From this bad dream.

I’m so glad to call you my older sister. You were the best mom and you fought hard to be here with the kids. But unfortunately heaven couldn’t wait for you and you were taken way to soon. 💔

I’m going to miss your contagious laugh, the sound of your voice, and your warm hugs. Sister I love you so much.

“ Too many memories to tell, but what I can say for real is that I'm sad that your gone, hurt even. But at peace knowing that the pain you endured through out our whole relationship is finally gone. And that your in a much better place then all us who miss you. I know your walking though our heavens looking through the cracks watching us all, but will always keep a close eye on your babies. We should all be so lucky and blessed to know that we have her now as a guardian angel. She told me once not to long ago that I should leave and not come back. That I didn't deserve to live the life we were living together. Because she said I didn't sign up for this. Truth is I am the only one who did sign up for it. I knew when I took on the Crystal challenge (A shot 4her Heart) that the there was a possibility of her getting worse. But I carried her up and down out stairs every day with pride and I loved her still, I wouldn't have had it any other way. Unless of course it be without the cancer all together. So with that being said . I love you baby, until we meet again Crystal... And I know we will. Richie, Ashley and MKay. I made a promise to always be there for y'all. Please remember that if y'all ever need something I will always do my best to help y'all. Just ask... God BLess!!!

“ I couldn't have asked for a better mother then the one I was given, my momma was my hero and the person I could always count on for a smile, Shes still standing strong in my heart and I can still hear her giving me advice and telling me what to do and how to move forward. My mamma will forever be my queen and my reason to better myself. gone too soon but I know she's peacefully watching over us now will no stress but to comfort her love ones in this time of need.it's a goodbye today but a good morning tomorrow❤️
