“ In Germany, Dalene or D.J. as her friends called her was a young women loved by all she met. The sixties were coming to an end but the influence of the fashion was right up her alley. She dressed in brightly colored blouses and jeans. Around her neck she accessorized with strands of small glass beads of which she strung. Her smile light up any room she entered and was quick to make friends. She liked carnivals and bowling and was a great team mate. Bowling allowed her to have family outings frequently as the whole family bowled. Dee liked Rock and Roll but had country roots! Her Dad used to tell us stories about being a cowboy in Wyoming. Dee was a good student and very artistic like her Mother. They could make rainbows in peoples hearts. I had the privilege of sharing part of my life with the Harrington Family and was treated like a son. I am grateful to have shared Dalene's Friendship and will miss her posts on Facebook. To her husband Larry, I am so happy they had each other. We all will miss this wonderful lady and we are so lucky to have her touch our hearts. Peace to all who loved her! Bye Dear One.

Memories keep her spirit alive. You Will receive signs from her. Treasure those left behind. Dee will be waiting with welcoming arms when we all meet again. What a beautiful angel she is.
