“ Dalton was one of a few men that coached me in football at Edison High School- along with Pat Shannon and Beau Greer. They were all top notch examples for all the young men they were in contact with. I didn't play pro football but I did practice Dentistry in SanAntonio for over fifty years.It was my great fortune to have known Dalton in my formative years. He was a great example spiritually and morally and I am thankful I knew him. Robert S. Busby ( BUZ )
