Grateful to be present during this video. Cried along with my niece, Naomi Jader, when hearing her sweet, funny memories of Dan. While I did not see him very often as I live in California, he was always nice and friendly to me when I visited. I appreciated this very much. RIP, Dan. God bless you.

“ My condolences to the family of Dan W. Vasquez. Even though it's hard to get together at this time, you can take advantage of prayer. Philippians 4:6,7 states: “ Do not be anxious over anything, but in everything by prayer and supplication along with thanksgiving, let your petitions be made known to God”. He will hear your prayer and comfort you at this difficult time.

Naomi, You're dad was a true gentleman. Chivalry and respect defines this true friend of ours. May he rest now in the palms of His hands and watch over you and your family from above. He was so proud of you all.
