“ *My sweet Aunt Dana, you were one special person. You let me come and stay whenever I wanted. When I lived in Austin I spent half the time in SA. You made us laugh so hard we cried. You made us walk to Belton lake as children to give us something to do. You put up with me and Uncle Johnnie and the Longhorns. You even went to a game with us. You will be missed. Please hug mom and dad for me. Love always Cynthia*

“ Mamaw. I love and miss you so much. You had such a huge impact on people’s life and they’ve shown it through the love and support they have shown us throughout the week. My mamaw was full of life, feisty and downright amazing! Mamaw was the Best grandmother anyone could have ❤️ 😊. She always had sporty sunglasses, a drive for adventure, a will to always match clothes with my pawpaw everyday, but most importantly she had a eternal love for her family. She showed that love for her family every single day! No matter how bad of a day it was for her, anytime she was around family she was always smiling and laughing. I have been blessed to call Dana King my mamaw for the 21 years of my life. I got so attached to her and she helped me in so many ways. She helped me through all of my heartaches, she helped me through my tough times and she encouraged me through my hardships. She never gave up on me 😊. I’m so blessed mamaw was around to see me achieve my biggest accomplishment in life, which was, my graduation day. Unfortunately now it’s my time to say goodbye. Mamaw, I want to thank you for the joy you gave me throughout my entire life, I want to thank you for your advice that has changed me and made me into the person I am today. The lessons you have taught me and the advice you have told me will stick with me throughout the rest of my life ❤️ I want to thank you for being my shoulder to cry on. I want to thank you for listening to me every time I came over or called you for hours on end talk about how crappy my day was or any problems I’ve had. I want to thank you for the goodbye that was never said, the goodbye that will never feel real in my heart, the goodbye that I will question, the goodbye I knew would come, but refused to believe it. Thank you for the amazing memories that I will cherish forever and thank you for being an extremely important part of my life. I love you mamaw, to the moon and back, and forever and always... 😊😊😊

“ *Dana and I met when I started working for GCSA in 1994. She was our File person and no one could find a chart like she could!! You just had to ask Dana do you know where this chart is and she would rattle it off or put her hand right on it after you were looking for it for the last hour. May you rest in peace with our Lord in Heaven* ❤️ 🙏🙏
