“ I only knew Dan when he was a little boy. He was blessed with his mom's good looks and his dad's cheeky grin. I know he was the apple of his grandparent's and uncle's eye. I wish I had been able to know him as an adult. My heart is broken for Gretchen and Guy. I know the support and love they are receiving from their many friends and their family will help them through this time.

*My prayers and thoughts are with you,
