“ Condolences to his family and friends. Daniel was my boy. We did a lot together in the barrio while in our teens. In 82' I took him to Cali with me where I had been stationed but a few months past and he missed home and knew California wasn't for him. We both eventually returned home to San Anto. I lost track of my friend since then, but now realize he needed to be home to start his beautiful family. Miss you bro.
Never forgotten. RIP. Leo
