“ David, you know how much it breaks our heart to hear about Daniel, he was like a son to us may God continue to bless you and watch over you. One of my favorite memories was at the feast of tabernacle in port royal by the sea, your dad and Daniel were in the pool Luis stuck his toe in and said how warm it was and they agreed, so Luis dove in just too find out how cold the water was he came up as fast as he went in, we laughed for months about this? Sending prayers, love and our condolences. Luis and Sandra Delgado

“ Dear David and Blanca,
We just heard about Danny tonight. We are heartbroken to hear and sadden that we found out after and were not able to attend. We loved Danny like a son. May the Lord surround you with his love, strength and keep you safe. We also still miss your parents. We have beautiful memories of all of you and the times we had together. All our love, Pablo and Terry Lopez

“ We remember Daniel as a teenager who was just 2 years older than our oldest son. To David and his family; we greatly loved your parents and miss them as well as your brothers. Knowing that your heart is sorrowful, rest in Jesus' presence and allow our loving Lord to cover you and your family with His amazing grace granting you peace and comfort. We wish we were able to attend the service today just to give you a hug and tell you that you are loved, but we cannot. Our prayers are with you and your family.

“ This is Terry Post. Danny was a wonderful young man. He worked for me for a while as a teenager. He was honest, respectful, hard working and fun to be around. My condolences to David and all the family.
