“ I have known Mr. Corona for about 12 years through his son Frank. I knew him as a kind and happy man who always greeted me with a smile and handshake. My last memory of him was a couple of weeks before he passed at his shop. I was waiting for his son Frank when Mr. Corona arrived and unlocked the gate to work the jobs waiting to be done. He saw me and said, hola, frank no esta aqui! Since I knew Frank was coming back to the shop I replied Frank viene ahora!! Mr Corona smiled and waved and I will always remember him that way.
