“ *My sincere heartfelt condolences to the Granado family. I met and worked with Daniel at Sam's for many years. We always had such good conversations and some good laughs. I saw him a couple of times at bingo and he always greeted me with a smile and reminisced of our days at Sam's Club. Rest in Eternal Peace Daniel you are back with your beloved Emma where you belong.*

“ *No words could ever express my love and gratitude this hero i was so blessed to have had as my very own brother-in-law. He loved my kids as much as he loved his very own with all of his heart. He was a such a character yet was an honest & humble human being that lived an honest life. Although sad to see the life of the go but I'm very happy that my beloved sister Emma is finally happy once again to be with her first true love....I love you Daniel and will always hold you in my heart til we meet again....thank you for your service and thank you for loving us the way you did to the end...*

“ Well, thanks to the Good Lord, I had the privilege of calling you “My Big Brother” for a little over 70 years, 10 months and 1 day. You were always there; we were very close together until 1966. Then you went and joined the army. I thought I had lost you forever. But then I went and joined your club in 1968.

We hit and missed seeing each other for the next 23 years. I came home in 1986 and got to see you retire from the army. You and your beautiful wife Emma and son Robert made San Antonio your home town.

Twenty one years of my time in the army was in Germany. Then I retired. In a way I got my big brother back, because then I knew where you were at all times. We had a lot of good times together. We got to see our dad turn 100 years old this year. Dad will never get a chance to say “I have got my 4 sons all together” again. We had only a few bad times. We got to see our wonderful mother go to heaven and in your book, the love of your life Ms. Emma. Well Big Brother, with a sad heart it’s time to say” Goodbye again”. You are gone and you will NEVER be forgotten. I will look up in the sky as I’m riding my motorcycle, and see my “3” beautiful angels looking down on me.

I love you Big Brother. D.K.G.

“ I will forever cherish the time we shared our time together. We didn't get to grow up and do big brother and little brother stuff, because he left our house when I was just nine years old. So it wasn't till long after he retired that we reconnected. So these latter years of his life have been the most time I've ever spent with my "big" brother. And what a joy they were. I got to know many things about him that I have always had questions about. Our rides on the motorcycles were the most fun that I've ever experienced. Great memories that I will hold dear to my heart. I love you Daniel!
Your "little" brother,
Richard
