“ Daniel was such a huge ray of sunshine to be around, his infectious smile and sense of humor and wit. He was a great person and friend to me and I'll always be grateful and cherish our memories together. I am beyond blessed to have met him and been in his life for a short time. I'm deeply sorry for your loss, he is missed by many more people than you realize. My heart is broken from his passing, way too soon. I will always love him forever.
