“ Danny was a true friend to me. A long time friend since McCollum high school. We graduated together in 1981. I loved his old school ways from his music to all his Kool antiques. He always thought of inviting when he had togethers at his home. That ment alot to me. He picked a wonderful woman Olivia to be his wife. They were very compatible and loving couple. I will miss him very much. God bless Olivia & the Hatal Family

“ Olivia, you are in my thoughts and prayers—please know that you are not alone on this journey.  
Danny, you will live in our hearts forever. You were spontaneous and unpredictable, yet always true to yourself. We will miss our trips, our conversations, and you making fun of my height. I could go on—there are so many memories, and never a dull moment with you both.  
I will forever love and cherish every single moment.
