“ My brother(inlaw) Danny!

*Theres so much memories with you. The best ones were the ones where you would always play with the boys, and pick on each other in the funniest ways! Also when i will make you acknowledge Panda 😂 """"ACKNOWLEDGE HIM DANNYYYYY, CARRY HIMM!!!"* You were always the highlight of our days, every single day! Your bond with Justin and the boys was very special! You all were inseparable 😭. You always showed the care and love you had for us! I am very heartbroken that you're not here. As your sister in law just know wherever you are that I will be there for all the family! I will remain strong for all of us! I love you my brother, you will always have a special place in my heart!

*Love always,  
Imeldurrrrrrr*

*P.S*

“ *My Brother Danny,*

*I will always love you forever. You always looked out for the family in any way you could. You would always give me advice on how I should continue to take care of My little family and don't stop for nothing. I am going to miss our conversations that we would have every time I would be chilling with you, or even the phone calls I would get from you just to check what I was doing. Also laugh about dumb stuff that we would talk about. You, me, Kirk and Abby have a very strong bond together that is unbreakable. My heart aches for you everyday, I don't have you here with me my big brother!.*

*My brother had so much love in him, he shared his heart with us all, Me, Imelda and the boys Jaden, Madden and Nikolai. We will miss you until we meet again my big brother! ❤️💜👍*

*-One Love!,  
Your young Brother Justin!*

“ My Big Brother how I miss dialogue about the Holy Bible with you we talked hours. When the sun rises until the sun goes down and the moon rises laughing having so much fun with you and our little brother. Now your memories are left with us and I’m trying so hard to hear your voice again how you would get mad and correct me and you always had an ear to hear me out. It made me happy knowing I was teaching you something because I know you were the smartest one and I finally got your attention and I felt so grateful ☐ that I can feel you will you thought me something. You and I agree so much on everything we learn about the Holy Bible 📖 I sit outside the balcony and look up and wonder so much about how your doing and ask you so many questions of how it’s like in Heaven ☁️ I still remember we were just beginning to realize how we were gonna be old talking and still reading. I won’t forget you my DapperDan ☐💜🕊️🌸🙏📖 save an ☁️ for me. ILOVEYOU ALWAYS ALWAYS 🐾☐🚢🐾
