“ I am the daughter of Daniel. My daddy was my absolute best friend and my biggest fan. I loved him so tremendously for his corny jokes, clever lines, and constant encouragement. In the face of hardship he never failed to make us smile or keep a smile on his face. He would always break out into dance moves- even in the hospital. His impact on my life was tremendous and I hurt every day without him but I know we will meet again. Until then daddy, I love you -your baby girl.

“ Dan is a good friend of mine. I remember he was usually late to darts and someone would always ask, "Where's Dan". So of course there is always the same suggestion. Call and find out where he is. Everytime we called it was ALWAYS the same answer. "I'm round the corner". He would show up 5-10 minutes later. So we would base our starting time by his words. So we all gave him the nickname "ROUND THE CORNER DAN". So sad to know you are going to your eternal home. My heart hurts to say UNTIL WE MEET AGAIN "ROUND THE CORNER, DAN". You will be missed.
