“*Bubba, I am so sorry that I didn't make it to your visitation tight but I had a small accident and wasn't able to drive. I didn't know you well the first time I unpacked your boxes when you moved back from the coast but over the years (and many packs and unpacks), we became friends. I enjoyed our talks and your generosity. I hadn't seen you in awhile because of COVID but I thought of you often. RiP Bubba and condolences to your family.*
