“ *Mr. Zapata was always very kind to me. He always welcomed me into his home. Isabel and I went to high school together and became very good friends. During those years he always arranged for us to have a meal at one of his favorite restaurants. He actually sent us to one for my 17th birthday. That was very special. He also sent us to have a nice dinner the day of our high school baccalaureate. Even after all these years these have always been great memories to look back on. Thank you Mr. Zapata.*
