“ *Mr. Herrera & Family,  
My sincere condolences to the family and friends of Mr. Herrera. I wanted to thank you for being part of giving me life. My name is Maria. I am Daniels daughter from his first marriage. I only got to meet Daniel at his brother, Roberto Perez funeral. I attempted to reach out to you several times, with the help of my late aunt, Esperanza. For some reason, it just was not meant to be. I don't blame you or anybody else. I only wish we could have had a father/daughter relationship that would have allowed me to meet your family, considering I grew up as an only child. Only you know your reasons and I will never hold that against you. I would have like to attend the services today but did not know what to expect. May God Bless you all and help ease the loss of Daniel with wonderful memories of his life.*

*Sincerely,  
Maria Elisa Valle & Family*
