“ We were 12 yrs. old when we meet We grew up went our separate ways wondering what ever happened to one another. Until Facebook..... we found each other and in October 2017 I drove to San Antonio to pick up Darlene so she could come to Houston for the weekend for her granddaughters 15 and that was the last time I saw Darlene. She will always be in my heart

It was a sign she knew she was going to pass and she did it to say her last goodbye to us and you ,nothing was going to stop her from going not even her own kids
