“ *I still can hear David's laugh. He had a special one and was always ready to share. Remember the old days when he had his mutton chops and fro-like hair. Some of us called him Wolfee as in Wolfman Jack. We will miss David greatly with his efectuous laugh and go get em attitude. He was a smaller man in stature, but a giant in personality. My condolences to the entire Aguilar family.*

“ *Condolences to the Pena Aguilar Family. The pain of losing a loved one is sooooo great that I know, but let us remember his pain was even greater. It hard to see your loved one in pain, so I hope that you will find comfort in knowing that you were there for him. I will always remember his smile. Now he gets to walk in the beautiful garden along side with his dad, his sister Mary Lou my god-daughter and his mom my cousin Vera who is happy n chiflada to have him back with her. RIP David.*

My Brother DAVE, As I sit here recollecting my thoughts.I ask.How does one put together a lifetime full of memories into a few lines.The first thing that comes to mind is that I was truly"BLESSED" to have you as a brother.Thank you for being who you were"Genuine" at all times.the trips that we took to Vegas as a family will be forever be in my heart!!!!Brother continue to watch over us, just like you did when you where here with us.The sadness and pain I feel for your loss is great. But,I find comfort and peace knowing that you are now re-united with Mom, Dad and Sister Mary Lou.I can also share the many stories of your life with family and friends that will last a lifetime.I will honor you,wherever I am for the rest of my life.
