David Michael Bell, beloved husband, father, pastor and friend, was called home to be with the Lord on Sunday morning, May 6, 2012. He was born October 21, 1954 in San Antonio, TX. In 1989, David left his successful software career of 13 years, to pastor Destiny Church then Revival Temple under his parents John and Ruth Bell. From 1996 to present, he served as lead pastor. The three main thrusts of David's ministry were worship, prayer and continuing the legacy of world missions his parents pioneered. David loved to see men of God rise up in worship and prayer. A passionate worshipper, David recorded and produced several albums and started Dancing Heart, a record label dedicated to raising up the next generation of worshippers. David's favorite activity was playing tennis with his wife, sons and close friends. One of his greatest joys was sitting poolside with his 3 grandchildren. David always enjoyed putting the top down and going for a

drive with Jodi, his faithful wife and constant companion. David Bell is survived by Jodi, his wife of 32 years; his brother Nathan; 5 sons: Matthew, Michael, Mark, Micah and Mitchell, all of whom minister at Destiny Church; and 3 grandchildren: Heidi, Hunter and Faith. David was integrity personified. David lived by faith, every day of his life, with the sole purpose of advancing the Kingdom of God.
