“ To my dearest extended family my deepest condolences To the entire family especially his wife (Buggy) daughter Alondra, son Polo He will be truly missed with all our memories of him trying to teach my family play golf and all the Bbq in the back yard. Telling us stories on how he grew up and how we should join the services. Never a dull moment with laughter & tears at times.

“ Our first assignment was to Del Rio Texas. As newly weds Bea and Dave took us under their wings and helped us to first adjust to being a married couple. Then came our son, Bryce, Bea and Dave cared for our son and saw us through another big event in our lives. Our son Bryce continued to be part of their lives as he grew into an adult. Our second son was born, Chantz. After his birth we had to PCS-Permanent Change of Station to Las Vegas, NV. It was a tearful sad day for all of us, we promised to keep in touch always and that was 32 years ago. We loved Dave as our own, but Dave cannot be mentioned with out Bea. It's like peanut butter and jam sandwich, making a wish on a falling star, snow angels on a clear day, love letters with x and o's, a fireplace with a good video, they belong together. Bea, thank you for sharing a wonderful man with us. We have felt his love, encouragement, and his welcome embrace of being a part of your family. Thank you Charles family for allowing us say our goodbyes to this man we have grown to love. May God Bless you as a family to remain true to your heritage and vision of what Dave wanted you to become.
