“ *As a high school classmate of Steve's, I had the pleasure of spending time with Rickey and Alice on occasion. The smiles and laughter from both of them was so great, it was infectious. Rickey, you will be missed by so many. We will meet again someday! Prayers and condolences to all of you in the family during this heavy time.*

“ *Rickey was a wonderful grandfather to my daughter Lindsay. He was full of practical jokes - even suggesting that we name Lindsay, "Ida" Clare lol. He was always willing to drop whatever he was doing to come over with his tools when something needed fixing. He was a warm loving soul and I know he will be deeply missed by many people. My heart breaks for Lindsay, Alice, Stephen, Brady, and Megan.*

“*Rickey went from a friend of a bowling team mate that was brought onto our team to help fill a roster to a long-term friend that would do anything for me. I didn't even ask him to help move my aunt's belongings but Rickey insisted in helping us as well. That was just the type of person he was. I will never forget that every night when we finish bowling Rickey would say "See you next week, God willing." Well, you are with him now. I watch my wife's funeral on occasion and I can't help but giggle that when Pastor Doug gets to the part about my wife and her M&M habits that Rickey tears up as he remembered that as well. Loved you Rickey and I am going to miss you. You were more than just a bowling family member.*
