Tribute Wall

“ Brother David spent a weekend with us in our church in Vinita Oklahoma in the late seventies. We picked him up in Tulsa and he fed us scripture on the hour drive back to Vinita. He was a tremendous blessing while in our home and during the services that he preached that weekend. I never sat in a service where he was preaching that I didn't gain from having been there. Of all the preachers that I have ever heard, David remains the best. He gifted me with a series of tapes entitled "The Messiah Mystery". I still have it and treasure it.

Though he is gone, his memory will always be cherished!
