“ The O'Neill and Robbins family will always love you. And all the great times we had together will always be remembered especially the ones of you me (JENNIFER) and our daughter Keliza just sitting around watching tv with the homemade meals you always cooked. Thanks to Libby. Gloria. And Janie for teaching you cooking so well. I still love the DeHoyos and Rios family and of course my daughter Keliza O'Neill DeHoyos who David and I took so long to get her name. David is so special and I really wish I would've seen him longer than 2016. Regrets about that. Love always. Your family until 2016.

“ I was so saddened to hear this, and shocked. I met David when I purchased a part of 'The Island' with Lloyd, his good friend, some 7 or 8 years ago. I immediately found David to be funny, loving and caring. I also found out his talent in cooking. His unique appetizers, best beans and the attention to details in always preparing our meals- whether it was breakfast, lunch or dinner. He always made sure we got served first, so he could enjoy our comments and praises for his work. He always ate last. I also enjoyed him being DJ, playing 'old country, rock and anything but Jimmy Buffet, my favorite. I always got a ribbed and scolded when I hollered out "play some Buffet." He was our 'late night fisherman' too. "They started biting real good between 3 to 4am" he'd sarcastically say. He truly loved life, friends, and often spoke of his family with me. Getting to know him and sharing time with him was special for me, and I will always remember those times. There will be a special place for him and our memories of him on 'the island.' There will also be a special part of him in my heart too. My deepest sympathy to the family. Gods speed David.

“ Words can't express my feelings right now. Memories have been flooding my mind for days and there are too many wonderful memories to pick a favorite. I have to say that a few of thing things that stick out the most are our road trips. The week at the coast that we lounged around on the beach all day long and spent the evenings at Hemingway's listening to the piano music and eating Shrimp Diablo. Our Sunday morning breakfast dates were always one of our favorite things. And the music, well the music is flooding me right now. Crusin, Mambo No. 5, Marie Laveau, Boogie oggie oggie, Lady blue and especially, My Elusive Dreams. Your memory will live on in our hearts forever. I pray for peace and comfort for all of the Rios and DeHoyos family.
