“ I will always remember the times he would come out to Houston and spend sometime with us. Yeah, he loved to cook and he would always cook us a feast. He was such a character, kept us entertained all the time. We love him and will miss him dearly. RIP cuz. Later. ❤️❤️❤️

“ *My father in law was the best!!! He would come visit us in Virginia and cook, take me to the shooting range and we would binge watch Claws! He was an amazing father and grandfather. I would get sad when he left and couldn't wait for him to come back. Now we have a wonderful angel watching over us. Love your daughter in law- Melissir*

“ *A sense of humor like no one I ever knew. His silly voices, talent for cooking (and sharing bbq tips), singing out loud to his favorite songs, incredibly intelligent. I'm so proud of my big brother David and happy you got to travel and touch so many lives. Now you and Momma are watching over us. Forever in my heart. I love and miss you. Claudie*

“ This is Travis County Constable Carlos B. Lopez. David was one of our volunteer Disabled Parking Enforcement Officers. He was without a doubt the best we ever had. I was honored to give David the Volunteer of the Year Award at one of our banquets. He truly cared about equal access to the disability community. He will be missed.
