

David John Flores

June 4, 1962 - January 7, 2021

David John Flores, age 58, lifetime resident of San Antonio, passed away on January 7, 2021. He is a descendant of Erastus "Deaf" Smith, and a descendant of the founding families of San Antonio and Floresville Texas. His maternal great-grandfather was Niceforo Zambrano, Mayor of Monterrey, Mexico, Governor of Nuevo Leon, Mexico, and Treasurer of Mexico. David was born on June 4, 1964 to John and Rosalinda Flores.

He was preceded in death by his mother, Rosalinda. He is survived by his father John Flores, his son Brandon Flores, his brother Gerard Flores, sisters Margaret Garza (George), Monica Coiley (David), identical twin brother Edward Flores, nephew Christopher Garza (Tom Delbello), nieces Katie Flores, Sarah Wingerter (Brent), Amanda Garza, Danielle Garza, Jill Flores (mother of Brandon), Lissa Flowers (mother of Katie and Sarah), and dearly loved aunts, uncles, cousins and friends.

David graduated from Central Catholic High School and the University of Texas at San Antonio. He was a member of The Sons of the Republic of Texas, and a board member of the Warrior Hunts of Texas. Besides being a DJ, his entrepreneurial invention provided shade for countless Port Aransas vacationers through his "Shadechute" venture. David was an incredible father to Brandon and the decades-long selfless care giver to his aging father, John. He was a son, brother, dad, uncle, godfather, and friend to so many people.

He was full of life, love, laughter, and compassion. David will be dearly missed by so many. David's memory will live on through the love we all continue to have for him. Rest in peace.

A private service will be held on Saturday, January 16, 2021 under the direction of Mission Park Funeral Chapels South. All CDC Covid 19 protocols will be followed. You may go to www.missionparks.com after 3:00 p.m. to view the funeral service.

“ I knew Dave as a friend and a leader. He headed up the temporary tattoo booth during fiesta week, generating needed funds for the historical society. He was a dedicated volunteer that manned the booth during the entire fiesta week. As a board member of warrior hunt, he was an active participant in getting our serves members out for a once in a life time guided hunting experience. I was lucky to be one of his guests of a hunt on a participating ranch in Medina county. We had a great time catching up on our life experiences during the time I was away in the Air Force. Dave was the DJ and MC at my wedding and did an outstanding job. Dave headed up the Flores family reunion every few years bringing together hundreds of relations decedent from the Canary island settlers. The reunion is a huge undertaking that he happily took on for the enjoyment of our gigantic extended family. Lastly Dave was one of my generation of cousins that grew up during the seventies, running around at the family ranches, going to the dances at the catholic schools and laughing with each other during family events. Dave is going to be missed by myself and his many cousins who's lives he touch over the years.

Love you cuz.

“ Dave was my best friend. I met him almost 30 years ago at volleyball where we played at Our Lady of Grace and other venues on a very regular basis for several years. Dave was a role model for me and later my family. He was selfless, always a team player. He loved getting people together and making people happy. I don't ever remember him bad mouthing anyone. He was a leader, family man, and great friend. He was godfather to both of my children. We had so much fun snow skiing, water skiing, camping, and going to the Flores' beach house over many years. My condolences to the Flores family. Thank you for always treating us as family. No one has ever taken us in like you did. It means a lot to us. We learned so much about life and love from your family.

“ It is hard to put in words how special Dave was to all his Friends and Family. He always had a smile on his face and the best outlook on life. I remember all our camping (MacGyver skills came out), hiking, coast trips, dancing, swimming late at night, skiing, dinners, working Fiesta events, volleyball (Wednesdays at the church and at the beach), etc. Dave introduced me to Blazing Saddles, Mystery Science Theater and Bravia and Butthead! My face would hurt from laughing with him. Even if time had passed and we decided to get together, it was like we never missed a beat. My heart goes out to Ed, Brandon and Family. May God bring peace to all our hearts. Hugs and prayers—Susan Heinsohn

“ The Pais family sends deepest condolences on the passing of David, my friend and classmate. He and Edward are the best people and there are many great memories of our days at St. Anthony, from picnics to recitals and parties. We continued to see each other into high school and they were always true gentlemen. Having been friends and classmates was a blessing. No matter how many years passed, bumping into David when I was in town was always a pleasure and we talked as if not too much time had passed. May his memory be a blessing.

“ I was shocked and saddened to hear about David's passing. I remember having many great times with David when we were younger in the 1990's. I was new to the area, and he introduced me to a lot of fun activities, like camping in Garner State Park, going to Port A, and playing wallyball/volleyball. He was a wonderful person who knew how to get the most out of life, and make others happy at the same time! He will be missed dearly, and I would like to offer my sincere condolences to his brother Ed, his father, his son, and the rest of the Flores family. May he rest in peace- from Chris Ohlenforst and family

“ David and I have been friends since the second grade. We went through St. Anthony's and Central Catholic together. We had many good times throughout the years. David even provided Jean Louise and I with all of the wonderful pictures from our wedding when he acted as our photographer. On those rare occasions when I would return home from Oregon, David was the one friend I sought out most to visit and catch up on life with. I consider it such a blessing now that I was able to see not only David, but Ed, Margaret, and John just a few years ago at one of their Fiesta parties. I will miss his smile, his laugh, and his friendship. I know he is with God.

“ My memories of David were limited to family reunions held at Yndo Park west of Floresville every 5 years. I enjoyed the time we shared. I remember the shade chute he invented and always wondered “why didnt I think of that”. I know it must have been a terrible ordeal suffering through his battle with cancer. Rest In Peace, David Rest In Peace

“ David was so important to us all but to me, he was an old, enduring friend who was always there at the important times of my life. Usually, those were at the beach (not surprisingly!)! The last time I saw him, I am grateful to have planted a big fat kiss on his face and gotten a picture of it. I love looking back at his face and remembering him so fondly. My heart is broken, but I am forever grateful for his life.

To his dear family, please know my prayers and love are with you. May you have peace knowing he lived his life in God's grace.
