“ The majority oF my teen years were spent with David . Most of my experiences , and memories includes David . I think of him often . Met him my Jr year .. we were inseparable. We laughed so much together. Had so much fun. We even lived together for a while.. but we had a falling out and when I decided to look for him after few years had passed .. Christina told me he had passed. I was too late .I wished I could have begged him NOT TO GO .. THAT I WANTED MY BEST FRIEND. I NEEDED MY BEST FRIEND. I WILL NEVER FORGET YOU DAVID . I LOVE YOU AND MISS YOU ! 😭

“ My condolences go out to you all. David was the funniest person i knew. Any moment that i got to see him he kept me laughing. I am sad that i never got to see him before i moved and before he left us. I hope that all of you are well and be strong.
