“ *There was no person like my Grandpa. He was always so even-keel and light-hearted and never shy to give a smile! He always put his family first, as that was the most important thing to him next to his love for my Grandma (Gigi). He taught me so much about life: working hard, enjoying the little things, and cherishing the love of your partner and children. He was a selfless provider and worked so hard to give everyone in our family. He loved with his whole heart. To say I will miss him would be a serious understatement. A piece of me is now missing. I love you forever, Grandpa.*
