

David Collier Holland

October 27, 1954 - December 29, 2009

HOLLAND

David Collier Holland passed away on December 29, 2009 at the age of 55 after a courageous 4 year battle with cancer. He was born October 27, 1954 in San Antonio, Texas. David has been reunited in heaven with his father, mother, sister and infant identical twin brothers. David was a kind, loving and wonderful man, and husband; father, brother, brother-in-law and friend, who truly loved his family and friends. He graduated from Winston Churchill in 1973. He was a licensed journeyman electrician for 29 years and was also a licensed Professional Real Estate Inspector. He owned and operated Texas Professional Inspections, PLLC and loved helping his clients become informed buyers. He was extremely talented and could fix or build just about anything. He spent much of his free time during high school and college working on cars, motor cycles, or building dune buggies. Later, he worked on projects around the house, like the time he built a beautiful outdoor kitchen and patio for family and friends to enjoy. David loved the outdoors especially snow skiing with his family and friends. Skiing and a trip to Las Vegas were yearly events he looked forward to especially as his family grew up. He is survived by his wife of 32 years, Denise Spicer Holland, son, Cory Holland, daughter, Krista Holland Kimball and her husband Josh, twin brother, Douglas Holland and sister, Kathy Ford and her husband Jim.
