David A Hurlock, of San Antonio, passed away peacefully at home October 1st 2020. He was born July 28, 1943 in Sarasota FL. He is preceded in death by his parents George and Mary Lou, and son Mark Anthony.

He lived life to the fullest and never let it pass him by. He left his mark on everyone he met and everything he did. He was the type of man who would give you the shirt off his back. He had a passion for Harleys, cars, music, friends, food, and family. “Geez Louise!”

“ *I had the pleasure of working with Dave for many years and I don't know if I've ever known a nicer guy. He was always in great spirits and no problem seemed to bring him down. I am heartbroken to hear of his passing and my prayers are with his family.*

“ *Rose and Family,
I can't tell you how sad this makes us here at Ingram Des Moines. Dave was an awesome person to work with but more importantly to call a friend! In all the years I worked with Dave, never heard him in a bad mood. Such an blessing to have known him.*

My prayers to you and your family.

Peace.

“ Tio David - I remember riding around with you and Tia Rosa when I was a little girl. I used to love to go to the stores or to visit your parents. I will always remember your upbeat personality and your genuine interest in my personal and professional life. 42 years...that's as old as I am today. Can't believe you are gone. You were a blessing to everyone that came across your path. Rest is paradise, Tio David. You will be missed, dearly. - Rosie

“ Rose and Don and the rest of the family, my condolences on Dave's passing. I had not seen him in years but we ran into each other a couple of times at Home Depot. I will never forget his kindness to my family. Always the consummate gentleman. I have fond memories of Sturgis trips to hanging out and playing board games like Pictionary in the backyard. May the good Lord fill you with the holy spirit and comfort you during this time. God's blessings always. Love, Sharon and the girls.

“ Grandpa Dave, My grandpa, I remember the last time I saw you, It was before the start of my freshman year, I remember you had a smile on your face, I'm so glad I got to know you grandpa, We may have not seen each other that often, But I still know we were close. Grandpa, To be honest you were the most straightforward person I knew, You would tell it like it is, Not a lot of people do that. Even though you are not here on this earth anymore I know you are here with us spiritually and you are looking down on us. I love you gpa. I remember that time I saw that video were you said "Turn that frown upside down". That is one of my good memories with you upon many others. I love you Gpa

“ Most of my recent memories are of Dave and Rose at family gatherings such as our trip to Dollywood and Jessie's graduation. He and my son Mike worked on removing my old rug A few years ago To help start the process of putting a new floor in my living room. I always admired the way he and Rose Cared for his parents in their later years. He will be missed by all those that knew and loved him.
