“ All my love goes out to Angela, I hope and pray that the Lord Grant you peace and comfort... They also pray that that comfort extends to David's family and to his friends.. I hope that you all can comfort one another... Find peace in talking about happy Memories and continue sharing the love that You will have for one another... I am Completely reassured that David has found the Peace that ONLY the LORD can provide.. If you have faith in the Lord which I know most of us do You can rest easy knowing that we will be together again.. Hole in free from pain and comforting under the wings of our Lord. May God-bless us all keep a safe until that time comes.

*It was pleasure knowing David whom I met through his wife Angela, Angela and I met a couple of years ago walking daily at the park. David was one of the nicest persons I have ever met and I was just really getting to know him better. David had some really encouraging words for me when I was going through my own Personal grief earlier this year and I'll never forget him and Angela for their care and kindness. I'm really gonna miss him. Rest in peace my dear friend for we are not far behind you.
God bless you 🙏*

I met David over 36 years ago and watched as him and Angela began their love story. David is forever in my heart and will always inspire me to keep it simple. He loved unconditionally and he was always the most giving, caring, affectionate man. He was so happy with his life which he shared with Angela. His smile was the most contagious smile. My heart shattered when we received the news about his cancer and all David was concerned about was making sure Angela was going to be okay. Til his last breath she was by his side loving him unconditionally. He lost his battle to cancer but he won his wings to heaven. Rest in peace until we see each other again 🌸

Where do I even begin to let everyone know what a wonderful couple these two were. Always laughing and smiling and most of all giving. Losing my own husband two years ago they were there to support me and the kids in every way and never gave it a second thought, david now you will forever be free of the pain and forever dance with the Angel's we will miss you so my dear friend you certainly earned your wings.
