“ Dean you are missed so very much. It was an honor to have had you in our family. You always showed your strength, your patience your caring in countless ways, those memories will never be forgotten. These last few years spending them drinking tea on a hot afternoon, walking through a flea market for the next big find. Talking bout the good ol days over a glass of lemonade. Most of all thank you for your kind words I'll never forget. You always said "keep reaching for the stars keep reaching for the stars"...you are now a star in the great heavens. I'll miss you forever.
