

Dean Franklin Hammer

May 20, 1945 - November 26, 2024

Dean F. Hammer, 79, of Euless, Texas passed at home on November 26, 2024. He was surrounded by the love of his family and his beloved dog, Cricket.

Dean was born in King City, Missouri to Franklin and Hazel Hammer. He grew up in St. Joseph, Missouri. Eventually, Dean relocated his family to Texas to pursue his career with Fleming Foods (42 years). Specifically, he resided in San Antonio, Lubbock, and Euless.

First and foremost, Dean loved being with his family and was his favorite thing to do. He was the grill master and loved grilling steaks on a Saturday night. He was an avid Texas Tech fan and enjoyed golf. He also enjoyed the Texas Rangers and the Dallas Cowboys (when they were winning).

To know Dean was to know that he had a great passion for dogs. Since boyhood, he always had at least one four-legged best friend by his side. Dean will be sadly missed and is survived by his wife Jeanne (of 42 years); his brother George (Nancy) Hammer; his daughters, Deana Hillock and Jodi Coker (Gerald); his son, Randy Hammer (Christy); grandchildren, Heather Atis (Adem), Courtney Coker, Megan Coulson (Paul), Ryan Hammer; greatgrandchildren, Ela and Taner Atis and Kallie Coulson. Dean was preceded in death by his parents, Franklin and Hazel Hammer, his brother Olin Hammer (Birdie), and numerous fur babies.

In lieu of flowers, Dean would rather you consider supporting your local animal shelter or ASPCA or to be like Dean and give an unwanted pet a home.

“ *Many years ago Dean and I made an unwise and impetuous decision to marry at a young age. Even though we eventually divorced, we produced two beautiful, loving, and ambitious daughters. Still, we remained good friends. Dean was the best father any child could wish for. He never complained or shirked his responsibilities to Deana and Jodi. He was a good man, a great protector, and was there for every milestone of their lives. He could always come up with cute and quirky little nicknames for them as they grew up. He will be missed as a friend and a father.*

“ I’m grateful for the times that I was able to spend with Dean at my house for parties and family gatherings. He was always a pleasure to be around.
My thoughts and prayers are with his family.

“ You were the best daddy a girl could ever ask for. Although, we lived apart for many years, you always made a point to be there for me in every way you could. You attended every softball game I played in,(over 8 years), school plays, and award ceremonies. You were always there for every special event in my life.
I miss the special celebration meals you used to treat us to at your favorite Italian Restaurant, Paesanos. I hope you are enjoying a Veal Paesano and a glass of Dino's Vino in heaven.
We always had the retail work connection, and I loved being able to talk to you about my career. No one else really understands retail, if they haven't made a career working in it, all the sacrifices and working all the long hours like you and I.
Some of my favorite memories were from your Saturday night cookouts. You made the best steaks ever, just don't tell Gerald I said that.
I believe my love for my fur babies was instilled in me by you at a very young age. Thank you for showing me that love and that you don't need to buy a dog to find an amazing pet. I promise to eventually adopt another pup and I will name him "Frankie" in honor of your middle name, Franklin.
Daddy I'm so sad that you are gone, but I know in my heart you are in a much better place and will always be looking down and watching over me and my family.

I Love you Dad, Your Rotor, Tote, Tote- Jodi
