

## Deanna Webb Nelson

August 16, 1948 - December 30, 2024

Deanna Webb Nelson, 76, died peacefully on December 30, 2024 in San Antonio, TX, after a long courageous battle against breast cancer.

A Beloved mother and grandmother, Deanna was known best for her love and devotion to her family. She provided unconditional support to her children and grandchildren in all of life's blessings and hardships. She was the number one fan and a very proud cheerleader for all her grandkids' sports and school activities. She was always present, rarely missing an opportunity to see them play. Deanna had a generous soul and a fun loving heart. She treasured her friends and the many card games shared. She had an uncanny ability to find happiness in organizing every nook and cranny of her home, and in creating homemade holiday cards for family and friends. She never missed a thing, and cherished these special moments throughout her life.

She is survived by her son Greg Nelson, her daughter-in-law Donna Nelson, her daughter Amy Cappuccio, her son-in-law, Elliott Cappuccio, grandchildren Alyssa Cappuccio, Caleb Cappuccio, Elias Cappuccio, Gennee Moyer, her husband David Moyer, and Danielle Kisse, great-grandchildren Laiken Welch and Gentry Moyer.

Serving as pallbearers will be Greg Nelson, Elliott Cappuccio, Caleb Cappuccio, Elias Cappuccio, Mike Tope and Joshua Webb.

Deanna ( Mimi/Grammy) will be greatly missed. Her memory will live on but it will never compare to the warmth of her hugs, her tender lullabies , and the sound of her voice.

“ My very deepest sympathy to Greg, Amy & their families. Deanna was my very dear friend who brought joy to so many. She talked so proudly about each of you, your spouses, & your children every opportunity she had. I will miss Deanna & my phone conversations as we always had so much to talk about & laughed at many of our stories. She will always be in my thoughts & especially in my heart. God gained a beautiful angel.  
Hugs,

“ She had a smile for everyone she met, no matter how bad her day had been. Everyone that met her is a better person just on that alone.
