### Debra Rhena Pratt-Wilkinson

Debra (Debbie) Rhena Pratt-Wilkinson passed away on June 28th, 2024, in San Antonio, TX.

She was born on April 1st ,1956 to James and Juanita Hill in Fort Worth, Texas. She grew up in San Antonio and graduated from Churchill High School. She attended Texas Woman's University for her nursing degree and then Our Lady of the Lake University for her Masters Degree in Occupational Health. Debbie worked as a nurse and DOD civilian for over 30 years. She worked for every branch of the military, most recently Air Force, until her retirement in 2013.

Debbie's pride and joy were her sons, Adam and Landon, and her grandchildren, Micaela, Colt, and Ryder. She was present at every sporting event, awards ceremony, and more. Prior to her retirement, she treated her patients and their families as her own. After retirement, she spent her time volunteering with the San Antonio Feral Cat Coalition, the nursery in her church, and at her grandson's schools. Debbie had a gift to make you feel like the most important person in the room. She loved every person she met and prayed fiercely for a peaceful world.

Debbie is survived by her loving husband Kent Wilkinson, her sons Adam (Jillian) Pratt, Landon Pratt, grandsons Colt and Ryder Pratt, her granddaughter, Micaela Ricks, her parents, James and Juanita Hill, and her brothers Wiley (Ann) Hill, Leland (Mary Kay) Hil, and Mark (Melissa) Hill, her nephews Grant and Mason Hill, Zach Hill, and Trevor Hill. “ Debbie was the best neighbor my family could have ever wished for. She was generous, caring and always thoughtful. She made sure to stop by and drop off small gifts to commemorate each holiday. She made our neighborhood feel like family. We will miss her smile and loving spirit.

“Debbie was such an incredible person. I learned so much from her. She gave so much of herself to her friends, patients and her family. I remember Debbie making us all laugh with her SNL impersonations (I’m 50 and I can kick). I also remember Debbie advocating for her patients and doing more for them than most people would. She truly lived to serve. I’m grateful for the time I had with Debbie. I will always cherish those memories.

“Started out working together at USAF JBSA Family Advocacy Program, 3 Amigo's (Skip, Debbie and I were inseperable friends), Friday night get togethers with Skip, Hector and Les (we laughed alot) to party planning. Any significant party or event I had or organized, Debbie was behind. I could always count on her and she loved to help. Our next event was to be my sister's 65th birthday party in Utah. She was truly the brightest of lights, the spreader of sunshine and she radiated love. The sparkle in her eye drew everyone to her. She was kind to all those who came into contact with her. She was a lover of animals and took care of numerous feral cat colonies around town. She truly embodied her Christian faith. My life is so much greater because she was in it. Some people arrive and make such a beautiful impact on your life, you can barely remember what life was like without them. RIP my forever friend. You will truly be missed.

“ We were blessed to have Debbie as our neighbor for the last 5 years. She welcomed our family immediately. If we ever needed anything, she would help without hesitation. Each holiday, without fail, she would be at our doorstep with a gift bag full of toys and treats for our girls. We've never known someone quite as selfless as Debbie. Her love knew no bounds and we'll remember her kindness always. Our family is devastated by her loss, but we find comfort in the memories we made with our beloved friend. We will miss her very much!

“ I met Ga thru Jillian at school where Ga came and volunteered with the book fair. She didn't know me and yet treated me as if she knew me my whole life, she had so much love to share and also made sure you were fed, she knew how to care for others in such a way that many do not. Ga you are missed immensely already! Thank you for the many wonderful memories- they may be from small portions of time but they will last forever.
