“ *Our sincere deepest condolences to Gina and her extended family. I had the great pleasure of working with her at Gonzaba Medical Group. Delia was a beautiful person who always had a smile on her face no matter how her day went. She was well liked and admired by her coworkers. She never took things for granted and always went above and beyond to helping others. If anybody ever needed anything at work, Delia would always step in to help them. Thank you Delia for teaching me new things at work, so I could be just as good as you. So many GREAT memories I will always carry with me. May the family find peace and comfort during this time of need. Love,
