Delia passed away peacefully on August 25th, 2022. Delia was 87 years old. Delia was born June 1st, 1935 in Mission, Texas, to the late Hortencia and Arturo Gonzalez Sr.

Delia was a strong, intelligent, independent and hardworking woman. A mother to 6 children David, Richard, Yolanda, Diana, Judith and Jeffrey. In 1965, as a single mother, she relocated her family to California. She started work and slowly built a good life for her and her children.

In 1982 she married Ross Ramsay and they began their lives together. They were avid travelers which included Africa, Australia, the Holy Land, Egypt and all of the USA. In 1994 they relocated to San Antonio where they bought and remodeled homes. She said it was so satisfying to see her hard work on the completed projects. She always worked hard and she enjoyed spending time with her family, going to church and working in her garden.

She was preceded in death by her parents Arturo and Hortencia Gonzalez, brother Arturo Gonzalez Jr, husband Ross Ramsay, sons Jose D and Richard Lopez, daughter Judith M Starnes, son in law Gene J Martin, great grandson Galvin I Duran.

She will be missed tremendously by all her family and friends.

God looked around his garden and found an empty place-

He then looked down upon the earth and saw your tired face.

He put his arms around you and lifted you to rest-

God's garden must be beautiful

He always takes the best.

“ *I have never met anyone like Delia. She was definitely a force to be reckoned with. She was one of the smartest women I had the honor of knowing and learning from for the past 28 years. She was an amazing grandmother to my kids and kept it real. I admired that she was a tough woman that expected everyone to be the same. I love that she was frugal and intentional with things she bought. I will miss her colorful spirit and the talks that we had.*
